Please note that we now have an extra run to Warkworth but in order to meet driver logbook requirements, we can offer Tuesday and Friday to the "outer" Warkworth area including Leigh, Pt Wells and Omaha. On the Thursday and Saturday runs, due to volumes and the number of stops, we can only service as far as Matakana and Snells Beach areas.

We encourage you to use our web ordering system, and we can set up standing order using your preferred pantry list, or separate orders for different days of the week. www.penguinwholesalers.co.nz
See your Rep to set this up and see the other benefits.

Please note that fresh fish, fresh chicken and portion controlled meat require orders by 10AM for next day delivery. We suggest an extra 24 hours lead time to minimise any problems related to supplier logistics.

We hold stock of export quality prime steer cuts such as cube rolls (scotch), sirloins and rump, usually well aged. Also a wide range - 1000 SKU's of drygoods - and no delivery fee.
